An Evening of Elegance

An Evening of Elegance to benefit Children's Hospital of Wisconsin and Make-A-Wish Foundation of Wisconsin is set for April 9 at the Crowne Plaza Milwaukee West in Wauwatosa. Organizer Tammy Flynn, owner of Elegance Salon and Spa, hosts this event annually with the idea to bring together businesses to donate their goods or services, giving 100 percent of the money received back to the charities.

Guests will begin the evening with wine, cheese and chocolate pairings created by Wisconsin Cheese, Thirst & Vine and Indulgence Chocolatiers. A Chef's Signature Dining Experience will follow with food by Tutto, Maxie's Southern Comfort, Charro Brookfield, Maggiano's Wauwatosa, Innovation, Portabella Pizza Pasta and Ristorante Bartolotta. Dessert will feature creations from 88 Keys Martini Lounge, Simma's and Indulgence Chocolatiers. In addition to a live auction emceed by Mark Baden from WISN Channel 12, guests will be treated to a silent auction, music and dancing.

Flynn's inspiration comes from her experiences raising a special needs son and meeting other Wisconsin families who count on these organizations. She believes, "If we all come together for the community, we can experience greatness for these organizations."
